

# Gender Inclusive Disaster Risk Reduction and Management Training

Philippine National Oil Company

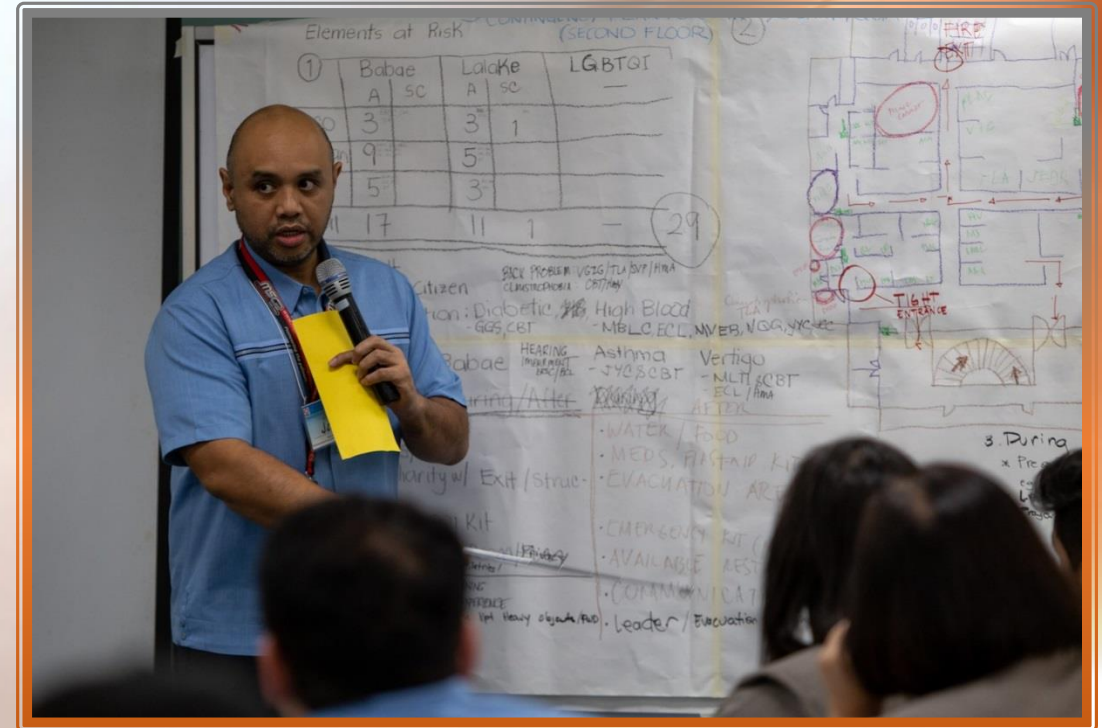

July 24-25, 2018

3<sup>rd</sup> Quarter

# Gender Inclusive Disaster Risk Reduction and Management Training

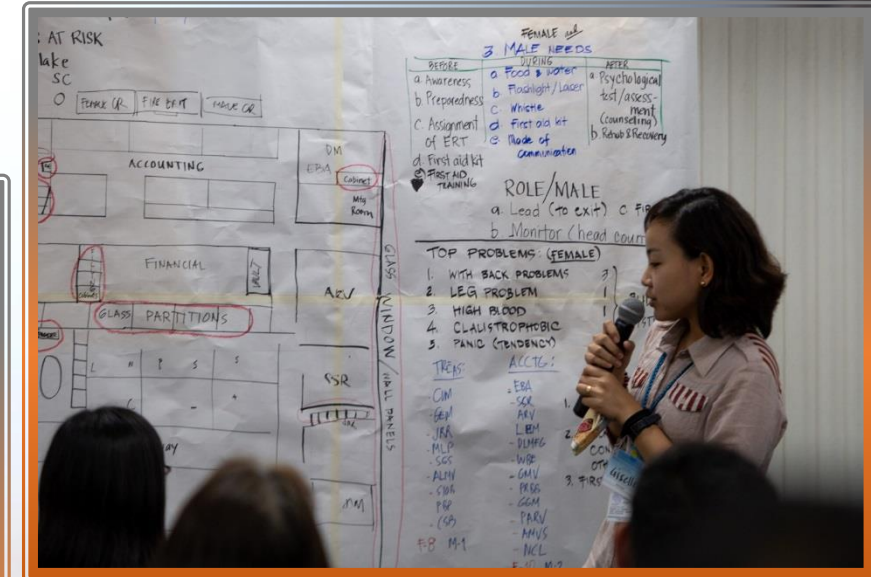

Officers and employees of the PNOC underwent a Gender-Inclusive Disaster Risk Reduction and Management workshop which tackled and discussed gender-specific needs in disaster preparedness programs. The workshop helped the participants assess possible risks at work and at their home, and how to address these risks. The participants also had a chance to discuss and update the existing PNOC Disaster Management Plan.

# Facilitator and Participants

# Participants

PNOC empowers its people to take charge of every situation amidst crisis.

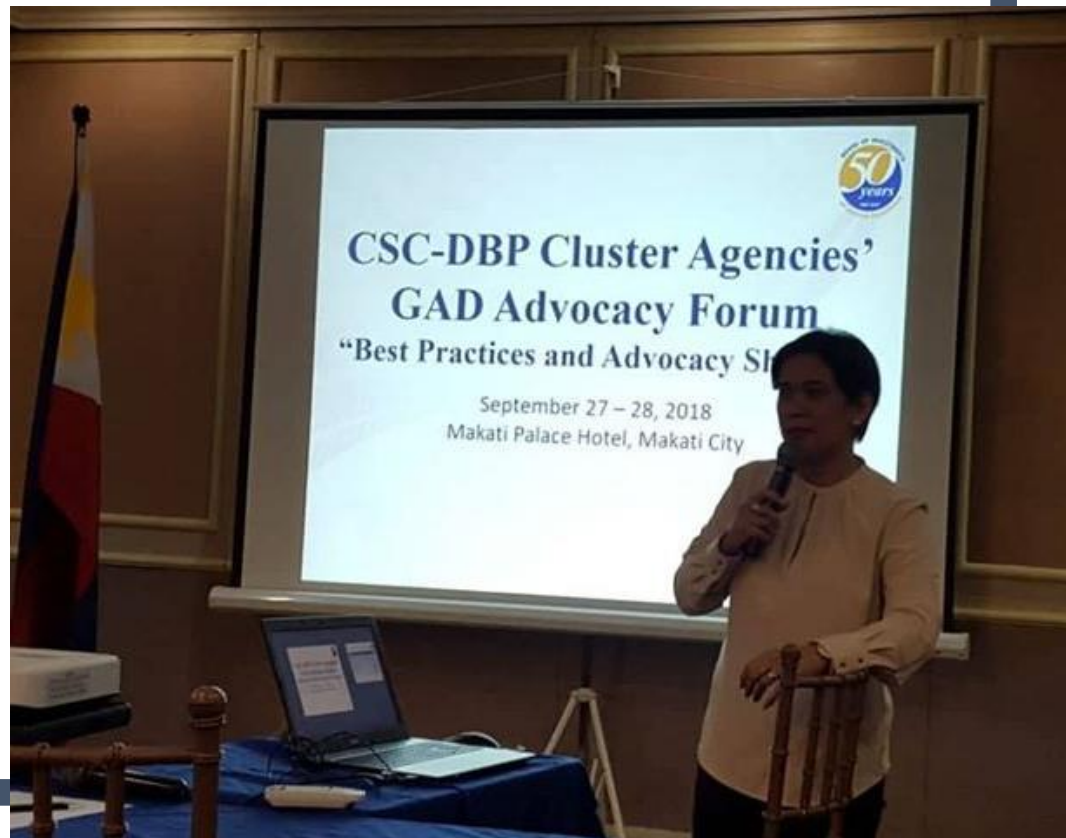

# Participation in the CSC-DBP Cluster Agencies' GAD Advocacy Forum “Best Practices and Advocacy Sharing”

September 27-28, 2018  
Makati Palace Hotel
