TERMS OF REFERENCE

PHILIPPINE NATIONAL OIL COMPANY

PNOC Building 6, Energy Center, Rizal Drive, BGC, Taguig City

Project: Supply and Replacement of 1125Kva Caterpillar Genset Motor Starter at PNOC Building 5.

Justification: To Maintain the Availability of Emergency Stand-by Power During Power Outage

SCOPE OF WORKS:

The scope of the project is to provide technical expertise for the supply, delivery, installation and replacement of complete assembly of 1125Kva Caterpillar Generator Set motor starter. Scope includes dismantling of defective starter, provision of supervising Electrical engineer, skilled technicians, safety kits, appropriate tools or instrument and consumables for the execution and completion of work.

LABOR REQUIREMENT/S:

- Project supervised by a Mechanical or Electrical Engineer.
- Skilled generator technicians.
- Bidder must have at-least five (5) years of experience in handling maintenance and contracting generator projects (Submit SEC or DTI certificate).
- Bidder should be a mechanical or electrical contractor.

OTHER DOCUMENTARY REQUIREMENT/S:

Submit at-least Three (3) satisfactorily completed generator repair or maintenance project. As proof, Bidder must submit certification issued by the client (NOA, NTP, PO/Contract, or Certificate of completion) to attest to the satisfactory service rendered by the contractor.

MATERIAL REQUIREMENT:

1. The contractor shall provide, among others, the following primary materials as specified:
 - ❖ One (1) set motor starter for 1125Kva Caterpillar Generator Set (3508).
2. Supplied material shall conform to Caterpillar generator set manufacturer's specifications.
3. Material should be branded, good quality and made by a well known manufacturer.
4. Material should be factory produced, no fabricated items for the project will be accepted except when required but subject to the knowledge and approval of PNOC representative.

5. Contractor must observe uniformity of supplied material to existing unit
6. Material for the project shall be subjected to inspection and acceptance by the PNOG Admin-GSD representative prior to commencement of work.

PROJECT EXECUTION REQUIREMENT:

1. Mobilization of manpower, materials and tools.
2. Disconnect all power supply and terminals.
3. Conduct thorough checking/inspection of the unit.
4. Check and replace the battery to unit starter cables including battery connectors.
5. Check and clean terminals prior to reconnection of replacement parts, use appropriate cleaning agents.
6. Dismantle defective motor starter by the use of appropriate tools.
7. Check unit starter for defect.
8. Check and clean starter to unit connector by the use of safe solvent motor cleaner.
9. Lubricate moving parts of the unit that requires greasing if any.
10. Terminate newly supplied motor starter to the unit including battery starter and 24V battery charger.
11. Air blow and vacuum clean the unit to eliminate dust and dirt residues.
12. Clean the generator unit by the use of safe solvent motor cleaner.
13. Inspect all electrical connections or terminations.
14. Read and check all parameters to verify if any adjustment is required.
15. All needed works must be complete and acceptable to make the generator unit functioning in good condition.
16. A comprehensive final checking of the work should be conducted prior to turn-over.
All unacceptable work must be replaced and/or re-worked at no additional cost to PNOG
17. Work area must be cleared and cleaned
18. Testing, monitoring and commissioning

GENERAL PROVISIONS:

1. A joint inspection must be conducted by the Contractor and PNOG-Admin GSD Representatives on the specific works to be done for the project
2. The contractor is required to inspect and examine the site and the surroundings of the proposed project to arrive to an estimate of the labor, materials, equipment, facilities and services necessary to carry out the work.
3. The Contractor is required to secure the required Surety, Performance and Guarantee Bonds prior to the commencement of work.
4. The contractor must conduct proper planning and safety orientation meeting to all personnel involved in the work prior to commencement.
5. The contractor is required to coordinate all activities and work relative to the project with the PNOG Admin-GSD representative for proper monitoring and coordination.

6. The Contractor shall commence work on the agreed Start Date and shall carry out the work in accordance with the program of work submitted by the CONTRACTOR, as updated, with the approval of the PNOC Admin-GSD representative and complete the project by the completion date as indicated in the TOR.
7. The Contractor shall be liable for all fire and accident claims and other related claims arising from injuries and damages, which may occur in relation to the execution of the project.
8. The Contractor shall hold PNOC and its personnel free from any and all liabilities for damages arising from injuries or liabilities to persons or damages to property occasioned by any act of omissions of the contractor including any and all expenses which may be incurred by PNOC-Admin GSD and its personnel in the defence of any claim, action or suit.
9. The cost of any and all rework and/or restoration of damaged properties due to Contractor's poor workmanship or negligence shall be borne by the contractor.
10. The Contractor must submit a list of personnel assigned to the project before commencing the above scope of works.
11. The Contractor must comply with all standard health and safety requirements to include, among others, the use of personal protective equipment by all workers, installation of safety signage, proper ID and observe company rules and regulations on safety and security
12. The work shall be executed in the best and thorough manner throughout the project timeline to the satisfaction of PNOC-Admin GSD, as represented by its engineers and supervisors who will jointly interpret the meaning of the scope of work and its conditions and shall have the power to reject any work, method of accomplishing every part of work and material used which in their judgement are not in full accordance with the specifications and/or description as provided in the scope of work and are deemed to be disadvantageous to PNOC.

SITE POSSESSION:

1. The CONTRACTOR confirms that he has inspected the site where the work will be performed; that he has informed himself fully as to the conditions which might affect the nature, extent and cost of the work required; that PNOC shall in no way be responsible for any costs or expenses which may be incurred on account of failure of the CONTRACTOR to make an accurate examination of present and/or assessment of future factors that may affect the cost of execution.
2. Tapping of equipment and other related work shall be properly coordinated with PNOC- Admin GSD designated representative for provision of electrical power source for outlets
3. The GSD shall designate a specific area to be used by the CONTRACTOR as temporary facilities/storage area/administration area in connection with the project.

COMPLETION OF WORK:

- Work should be completed in Thirty (30) calendar days from 7:00am onwards reckoned from the date of receipt of the notice to proceed

NOTE: Delays due to work stoppage ordered by GSD shall not be counted against the set completion date.

WARRANTY PROVISIONS:

- All equipment, materials and workmanship shall be guaranteed for a period of Six (6) months from date of acceptance. At any time within the period of guarantee and upon notification, the contractor shall repair and/or rectify all the deficiencies, including replacement or repair of parts, at the sole option of PNOC.

ABC = Php 482,000.00
