NOTICE TO TERMINATE

Pursuant to Item IV of Annex "I" of the 2016 Revised Implementing Rules and Regulations (RIRR) of Republic Act (RA) No. 9184 otherwise known as the Government Procurement Reform Act, PNOC has verified that there are grounds to terminate the contract with the following details:

ITB No.	: 2025-06-148
Project Title	: Consultancy Services for the Preparation of the Detailed Feasibility Study on 7MW Ground-Mounted Solar PV Project at NIA Land Property
Contract Amount	: Php 10,000,000.00
Contract Period	: September 8, 2025 to January 26, 2026

Item III.B of Annex "I" of the 2016 RIRR of RA 9184, provides for the grounds of the termination of contracts which specifically provides that:

"The Procuring Entity may terminate the Contract, in whole or in part, at any time for its convenience. The Head of the Procuring Entity may terminate a contract for the convenience of the Government if he has determined the existence of conditions that make Project Implementation economically, financially or technically impractical and/or unnecessary, such as, but not limited to, fortuitous event(s) or changes in law and national government policies."

Specifically, the termination of the contract is due to the Project having become technically impractical and/or unnecessary because of the impending and non-extendible expiration of the Memorandum of Understanding with the National Irrigation Administration.
