

NOTICE OF PRODUCT AVAILABILITY - REQUEST FOR EXPRESSION OF INTEREST

Sale and Distribution of Liquefied Petroleum Gas (LPG) Under Executive Order No. 110, Series of 2026

The Philippine National Oil Company (PNOC) invites legally, technically, and financially qualified entities to submit a Letter of Intent (LOI) for the purchase and commercial withdrawal of available Liquefied Petroleum Gas (LPG) inventory currently stored at the South Pacific Inc. (SPI) Terminal in Calaca, Batangas.

The distribution is being executed under the following framework, pursuant to the Department of Energy (DOE) Guidelines:

1. Purpose

These guidelines are applied to establish a clear, transparent, and efficient framework for the selling and distribution of petroleum products by PNOC, pursuant to Section 5 (f) of Executive Order (EO) No. 110, Series of 2026.

2. General Policy

PNOC shall ensure that petroleum products are available and accessible to targeted end-users. For this purpose, the distribution of these petroleum products shall be conducted in a fair, transparent, and non-discriminatory manner to ensure that strategic sectors and underserved areas are adequately supplied.

3. Common Distribution Guidelines

- The DOE's policy on anti-hoarding and profiteering must be observed.
- The mode of payment shall be via Manager's Check or Standby Letter of Credit (SBLC) to be provided by the buyer at least two (2) days before drawdown. The value of the chosen payment instrument shall be equal to the total amount of the Purchase Order.
- All purchases made by a government agency or government-owned and controlled corporations shall be subject to terms and conditions agreed upon.

4. Cargo and Commercial Terms

- **Available Volume:** 21,007.47 Metric Tonnes of LPG
(50% Refrigerated Propane and 50% Refrigerated Butane)

- **Terminal Facility:**

South Pacific Inc. Terminal, Brgy. Salong, Calaca, Batangas, Philippines

- **Selling Price:** Php 68.72/Kg (based on the prevailing market price reflected in the DOE's published LPG price monitoring)
(inclusive of VAT and terminal throughput charges; logistics to be shouldered by the buyer)

- **Withdrawal Period:**

Buyers shall complete the withdrawal of their allocated volumes from the terminal on or before 17 July 2026.

- **Title and Risk Transfer:**

Title to the product and risk of loss shall pass from PNOC to the buyer upon transfer of the product through the loading flange into the buyer's authorized truck.

- **Storage Penalties:**

Any allocated volume remaining after 17 July 2026 may be subject to applicable storage charges and other terminal fees based on SPI's prevailing rates, which shall be for the account of the buyer.

5. Allocation and Lifting Procedures

To ensure the orderly, transparent, and efficient distribution of LPG, and in support of the DOE's policies against hoarding and profiteering, the following compliance mechanisms shall apply:

- **Priority Allocation:** Priority shall be given to qualified buyers with existing and operational storage facilities that entail minimal or no additional cost to PNOC, thereby promoting efficient logistics, minimizing handling and storage costs, and facilitating the timely distribution of LPG.

- **Volume Limits:** Minimum lifting volume is set at **1000 MT** per order, with subsequent requests made in increments of **500MT**, except for the final lifting which shall correspond to the exact remaining balance to fully exhaust the total allocated volume (21,007.47 MT).

Lifting Schedule: Approved buyers shall coordinate their lifting schedules with PNOC and the terminal operator to ensure the orderly loading and withdrawal of allocated volumes within the prescribed lifting period.

- **Allocation of Volumes:** All allocations shall be subject to product availability, terminal operating capacity, and the final approval of PNOC.

Documentary Requirements for Submission

All allocations are subject to state audit and require a signed Distribution To formally participate, prospective buyers must submit the following documents (*if applicable*) for evaluation:

- 1.) Formal Letter of Intent indicating the requested allocation volume
- 2.) Valid License to Operate (LTO) as a Bulk Supplier, Bulk Distributor, Refilling Plant, or Bulk Consumer
- 3.) Standards Compliance Certificate (SCC)
- 4.) Authorized LPG Delivery Motor Vehicles
(*whether owned, leased, chartered, or contracted via a third-party hauler*)
- 5.) Authority to Sell LPG-Filled Pressure Vessel
- 6.) Other documents as may be required by PNOC to verify the buyer's qualifications

For inquiries regarding product availability, allocation, lifting schedules, pricing, and documentary requirements, please email: jrsquinto@pnoc.com.ph

Please submit your formal Letter of Intent and the required documents to the address below. Allocations will be processed on a first-come, first-served basis until supplies last.
